## *Our Promise —*

*To provide best quality  
alternative care*

## *Our Promise*

Intercare Hospices promise to provide residents who are facing terminal illness with the best quality of alternative care.

Hospice is about living life to the fullest in a safe, secure, respectful and compassionate environment.

Comprehensive specialized care, focused on easing the physical, emotional and spiritual pain that often accompanies terminal illness is offered by the hospice team—our dedicated and specialized team of professionals.

*Respect*

*Compassion*

*Commitment*

## *The Hospice Team*

The team of professionals consists of:

- ♥ Attending Physicians providing care in collaboration with the hospice team and in consultation with palliative care physician consultants.
- ♥ Registered Nurses and Licensed Practical Nurses focused on maintaining comfort, symptom and pain management
- ♥ Care Aides providing personal care and daily assistance
- ♥ Social Worker supporting families with personal, financial and community sources to enable the development of a support network and bereavement services
- ♥ Spiritual Coordinator offering spiritual support and direction
- ♥ Trained Volunteers providing friendly support, companionship, encouragement and assistance in activities of daily living
- ♥ On-call and twenty-four hour medical availability
