## What to Expect

Intercare's primary focus is to make our residents as comfortable as possible in our facilities. Our settings, caring staff and safe, secure living environments truly make Intercare a place to call "home".

Volunteers are important to us!

Volunteers are a very important part of the Intercare Team. Volunteers enhance the quality of life for residents by supplementing activities/services offered by staff.

Volunteering offers individuals an opportunity to make a difference in a resident's life. As a volunteer, you can be part of resident outings, assist recreation or therapeutic programs, help with special events, entertainment, pastoral care and/or conducting worship services or hymn sings.

Volunteers come from all communities and can be of any age. They offer a kaleidoscope of interests and perspectives to our residents enhancing their lives and increasing their daily activities.
